SUMMERFIELD STYLES

styles

SUMMERFIELD 1

Summerfield 1 is a full overlay door with a $\frac{3}{4}$ " thick solid maple or cherry door frame. The 3" stile and rail Shaker style door has a flat veneer center panel. A $\frac{3}{4}$ " thick 5 piece solid drawer head completes the look on the base cabinets. Summerfield 1 is available in either a maple or cherry wood. Variations in grain pattern under a light finish should not be considered a defect.

SUMMERFIELD 2

Summerfield 2 is a full overlay door with a $\frac{3}{4}$ " thick solid maple or cherry door frame. The 3" stile and rail Shaker style door has a flat veneer center panel. A $\frac{3}{4}$ " thick solid slab drawer head completes the look on the base cabinets. Summerfield 2 is available in either a maple or cherry wood. Variations in grain pattern under a light finish should not be considered a defect.

GLAZE FINISHES

ALABASTER GLAZE

CHOCOLATE GLAZE

CARAMEL GLAZE

Glazed finishes are produced by applying a contrasting glaze finish coat over our standard finish. The glaze is then removed by hand wiping. This process leaves the contrasting glaze in the grooves and corners. A clear sealer is then applied. Each cabinet will have a subtle hand finished appearance. Our craftsmen take pride in the detail and quality of their glazed cabinets giving each a unique appearance.

SPECIES

CHERRY
MAPLE

CHERRY - Cherry ranges from white to deep browns with the occasional pinkish-brown hues. The beauty of cherry increases as it darkens with time.

MAPLE - Maple is a strong close-grained wood species. Its creamy white and light yellow-brown hues makes this a popular wood.
